

WINTER WARDROBE ESSENTIALS

A Classic Overcoat

A simple overcoat can truly pull an outfit together. A great investment if you live in a city where it gets really cold. Best to invest in a neutral color that can be teamed up with the existing color palette in your wardrobe.

Knit Dress

A classic knit dress in muted tones is another winter wardrobe essential. It can be teamed up with a cardigan, blazer or even an overcoat for that extra warmth and comfort in the cold weather and yet look stylish and well put together.

Scarves

Very easy to style and instantly elevate your look from basic to styled. They also add warmth & comfort while layering. Invest in a neutral color that would go with all your winter outfits.

Cardigan

A classic wardrobe essential, a basic cardigan can help keep you warm, add a layer for that extra comfort without making the look too bulky and if needed, you could easily throw in a blazer or an overcoat over a cardigan for that additional warmth.

Jumpers

Winters means bringing out the coziest jumpers, whether you are lounging at home or out and about in your city. From snug fits to turtle necks to oversized sweaters, there are many options available. Make sure you invest in what works best for you.

Denims

Invest in a stylish and comfortable pair of denims, in case you don't already own one. These can easily be worn for casual to dressy events based on how you style them.

Leggings

A great staple piece for your winter wardrobe. Team it up with an oversized jumper, boots and throw in your overcoat and you're all set to go out !

Boots

There is a wide variety of boots available for us to choose from. Invest in a pair that would suit your lifestyle and can be teamed up with the existing pieces in your winter wardrobe. Boots add a classic aesthetic while keeping your legs covered and warm.
